March 30, 2020

Due to the coronavirus (COVID-19) pandemic in our country, the following policies are in effect in Sarasota County:

Since all beaches, playgrounds, tennis courts, pickleball courts, basketball courts, volleyball courts, and dog parks are closed for public use, we have decided to follow the County guidelines.

Please observe this closure until further notice. We will re-evaluate in 15 days.

Thank you for your efforts in stopping the spread of this global scourge.
